- 7 years exclusive makeup experience
- [Advanced Makeup Training by Susan Jeske - Professional Makeup Artist and Former Ms. America - 1999 www.msamerica.tv](#)

### *Artist's Comments:*

- I love working with people because I get that immediate great response.
- I love having women smile about their appearance as image is everything in business.
- Its not about the product, its about the difference I make after pampering a woman's face.
- Makeup is my passion. It is fun, and never seems like hard work.
- Every client is special and I treasure my friendship with every new face I meet.
